T2-0146-UDFS
Fast-track detailed assessment planning

T2-CG

10 December 2024

Background

- The next publication of HVPS+ usage guidelines "UG2025" is planned in December 2024. The new version will, among other changes, enable the usage of the hybrid postal address in ISO 20022 messages for cross-border payments and thus support the payments industry's migration to ISO 20022 by November 2025.

- The corresponding CR T2-0146-UDFS "HVPS Plus UG2025 maintenance on T2 RTGS messages" needs to be assessed in view of T2 R2025.NOV to enable the usage of hybrid postal address in T2 RTGS messages.

- The aim of this presentation is to provide a fast-track detailed assessment planning for the new T2 CR-0146.
